In der Themenwelt **SPICY** verbindet sich spielerisch die breite Farbpalette appetitlicher Gewürze mit dem ange-sagten Retro-Look: Designs, die an die gute alte Küche erinnern – ob das Karo der Serie **RUSSEL** oder die geometrischen Formen der Serie **KIM**, mit beiden ver-breitet sich lockere Gemütlichkeit.

Wer es verspielter mag, für den ist die Serie **BERRYROSE** mit ihrer Kombination aus Karo- und Rosenmotiv die richtige Alternative. Die Farben bewegen sich zwischen würzigen Gelb-, Rot- und Brauntönen bis hin zu frischem Rosa und Bordeaux.

The **SPICY** theme world with its **RUSSEL**, **KIM** and **BERRYROSE** series playfully combines the versatile colour palette of tempting spices with a retro look. The designs are reminiscent of the good old kitchen of days gone by – be it the diamond pattern of the **RUSSEL** series or the geometric shapes of the **KIM** series, both are associated with a simple and cosy home.

With its combination of diamond and rose motifs, the **BERRYROSE** series pro-vides a more playful version. The colours move between spicy yellow, red and brown shades, all the way to fresh pink and burgundy.

Il mondo tematico **SPICY**, con le serie **RUSSEL**, **KIM** e **BERRYROSE**, coniuga in modo giocoso la varietà cromatica di invitanti spezie ed il look retro. Motivi che ricordano la buona cucina di una volta - come i quadretti della serie **RUSSEL** o le forme geometriche della serie **KIM**, entrambe ispirate alla calda intimità di un ambiente accogliente.

Una variante più briosa è la serie **BER-RYPOSE** con la sua combinazione di motivi a quadri e rose. I colori spaziano dalle tonalità speziate del giallo, rosso e marrone fino ad arrivare al fresco rosa e al bordeaux.

Geeignet vor allem dort wo das Interieur von natürlichen, ursprünglichen Materialien geprägt ist, fügen sich die Designs der Themenwelt **NATURE** harmonisch in das Gesamtbild ein.

Nicht nur durch die eingesetzten Tissue-Qualitäten, sondern auch in Design und Farbgebung ist hier das Thema Nachhaltigkeit präsent.

Inspiriert von der Natur selber dominieren Blumen- und Blütenmotive die Serien – mal in erdigen Grün- und Brauntönen in den Serien **STEAM** und **ANNABEL**, aber auch in den frischen Frühlingsfarben der Serie **ADELE**.

Wherever an interior is styled on natural, original materials, the designs from the **NATURE** theme world with its **STEAM**, **ANNABEL** and **ADELE** series blend harmoniously into the overall look.

The tissue qualities used, the design and the colours are committed to sustainability.

Inspired by nature, the series are dominated by flower and blossom motifs – be it as green and brown tones in the **STEAM** and **ANNABEL** series or the fresh spring colours of the **ADELE** series.

Laddove gli interni sono caratterizzati da materiali naturali e originari, si inseriscono armoniosamente nell'insieme i motivi del mondo tematico **NATURE** con le serie **STEAM**, **ANNABEL** e **ADELE**.

La qualità di tissue utilizzati, il design e le colorazioni sono orientati alla sostenibilità. Ispirati dalla natura, motivi floreali e vegetali dominano le serie - ora nelle tonalità verdi e marroni della terra, come nelle serie **STEAM** ed **ANNABEL**, ora nei freschi colori della primavera, come nella serie **ADELE**.
